

KCD1-16A Datasheet

HAOSWITCH / DONGGUAN HAOZHONG ELECTRONICS TECHNOLOGY CO., LTD.

Product: KCD1 Illuminated Rocker Switch

Model: KCD1-16A

Electrical rating see released specification

Mechanical life see released specification

Contact resistance see released specification

Operating force see released specification

Insulation resistance see released specification

Dielectric strength see released specification

Operating temperature see released specification

Approvals: UL / cUL / ENEC / CQC / CE / RoHS / REACH
