

SK-12D07 Datasheet

HAOSWITCH / DONGGUAN HAOZHONG ELECTRONICS TECHNOLOGY CO., LTD.

Product: Metal SK Side-Actuated Low-Current Slide Switch

Model: SK-12D07

Electrical rating see released specification

Mechanical life see released specification

Contact resistance see released specification

Operating force see released specification

Insulation resistance see released specification

Dielectric strength see released specification

Operating temperature see released specification

Approvals: UL / cUL / ENEC / CQC / CE / RoHS / REACH
