

TC-66SMD Datasheet

HAOSWITCH / DONGGUAN HAOZHONG ELECTRONICS TECHNOLOGY CO., LTD.

Product: High-Temp Gull-Wing SMD Tact Switch

Model: TC-66SMD

Electrical rating see released specification

Mechanical life see released specification

Contact resistance see released specification

Operating force see released specification

Insulation resistance see released specification

Dielectric strength see released specification

Operating temperature see released specification

Approvals: UL / cUL / ENEC / CQC / CE / RoHS / REACH
